

Portfolio

Our work.

The case studies our clients agreed to publish come first. Then the rest of what we've built, by industry.

devorise.com/portfolio 7th Circle, Amman, Jordan

Who we've worked with.

20+

clients we have worked with

Not every project we run becomes a case study. Most of our work stays private: we publish a case only with the client's written consent and real numbers from their systems.

AQARATY

Real estate · Jordan

- **Dalia X explains how the platform works, typed or spoken**
- An administrator approves every investment request

8 roles, each with its own dashboard
Counted in the platform's roles at hand-over

327 automated tests
Run against a real database at hand-over

Dalia X · Aqarati X

Listing

2 bedrooms 140 m² Income property

📄 Price on request

Request to invest

● Waits for an administrator

Visitor · Spoken question ▣▣▣▣

How does investing in a property work here?

● Dalia X

You choose a property and send a request to invest. An administrator reviews every request before it goes through.

Matches for "oak, kitchen cabinets"

● Natural oak · D-114

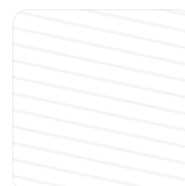

● Smoked oak · D-207

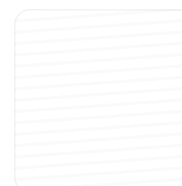

● White oak · D-318

Walnut · D-402

Grey ash · D-515

Beech · D-610

Customer

Do you have an oak decor for kitchen cabinets?

● Catalogue assistant

Yes, three oak decors in the catalogue suit cabinets. Here they are with their codes. For price and stock, a branch can help.
